## SILVERDALE.

Silverdale is admittedly one of the most formidable of the western contingent of American Derby candidates. His career as a two-year-old was of the highly industrious order. He began racing at Little Rock March 29 and finished October 20 at Morris Park. Between and including these two dates he started in thirty-eight races, of which he won fifteen, was second in nine and third in four. He earned for himself the reputation of being a very speedy and hardy colt and a good traveler, and while he did not rank with the best of the year, he yet was one with whom the first-class ones could take undue liberties without a good chance of coming to grief.

In his first start at Little Rock he met the flying filly Miss Bennett and defeat. She ran the half mile in 48½ seconds—phenomenal time for that slow track—and won by five lengths, while Silverdale as easily beat Ep, Joe Frey, Queen Dixon and two others. His next start was in the Gaston Hotel Stakes at Memphis. Here he ran unplaced to his stable companion, Joe Frey, and Garry Hermann, but the next day he inaugurated his winning career by defeating Sad Sam, Delmarch and four other youngsters for a purse, beating Sad Sam a half length in a half mile dash, done in 51 seconds. A few days later he ran third to Garry Hermann and Odnor at five furlongs. He ran head and head with Garry Hermann to the stretch, but had met his master and tired in the stretch run. In his next race at Memphis, April 24, he again had to submit to defeat from Miss Bennett in a four and a half furlongs dash, but forced her to set a new track record for the distance and easily defeated the other six starters.

Silverdale now changed his tactics and won six races straight before being again defeated. At Memphis, April 26, he defeated Zack Ford, The Mecca and two others at four and a half furlongs in 56 seconds. Then he was taken to Louisville. His first start was at four and a half furlongs, May 5, and he easily beat Sard, Denman Thompson, Quibo and two others in 54½ seconds. At the same distance, May 9, track heavy, he defeated Cluster, Luego and three others in 59½ seconds. May 14 he won the Wenonah Stakes, only Dr. Preston and His Eminence starting against him and they finished in that order. He was a 1 to 10 shot and won by four lengths in 55 seconds. May 16 he defeated Sinfi, The Conqueror and two others at five furlongs in 1:01½. This was the end of Silverdale's unbeaten career at Louisville and he now journeyed to Chicago where he was destined to meet more formidable opposition.

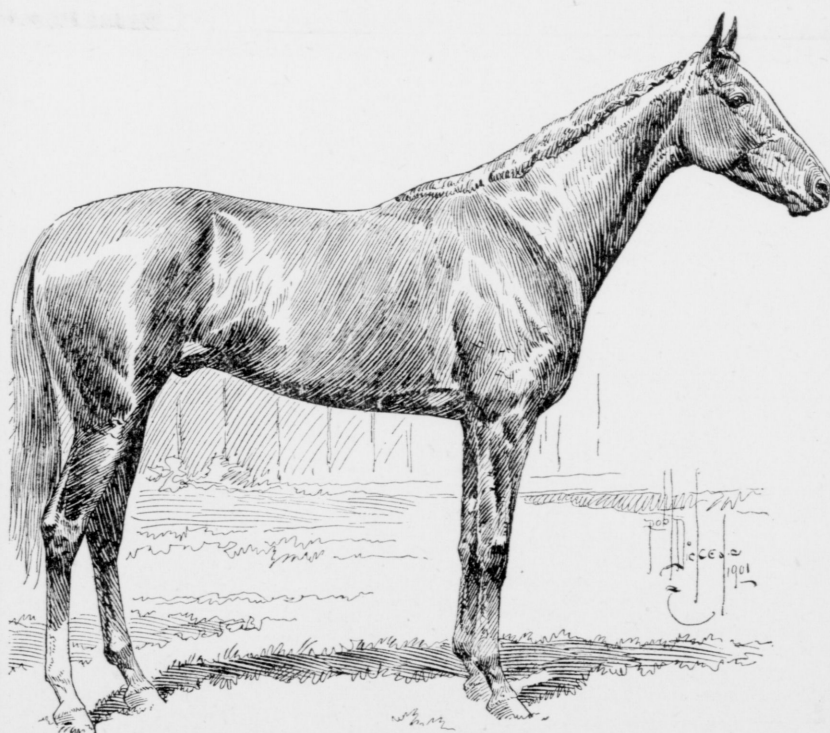

His first start here was at Hawthorne May 30, over an extremely heavy track in a five-furlongs dash for a purse. He carried 114 pounds to Garry Hermann's 118, the others having much lighter imposts, and won by three lengths with Garry Hermann second and Battus third. This was not because he was a better colt than Garry Hermann, but because he was better in very holding going. The time was 1:07. Two days later, at the same distance, over an improved, but slow track and at equal weights, 115 pounds each, Garry Hermann turned the tables by giving him a six lengths beating in 1:04½, The Conqueror being third and Kid Cox, His Eminence and Invictus unplaced. In the Juvenile Stakes, run June 4, over a good track, Garry Hermann, with 121 pounds up to his 118, again emphasized his superiority by beating him eight lengths in 1:02½, Sortie and The Conqueror being the other starters. June 8, he again gave evidence of his liking for a heavy track by winning the Hawthorne Stakes from Invictus, Miss Bennett and two unplaced ones with great ease. The track was so deep that it took 1:06½ to do the five furlongs.

At Harlem June 13, again over a deep and holding track, he defeated Sannazaro, Icon and four others at five furlongs in 1:06½, winning by four lengths and conceding much weight to all the others, he carrying 113 pounds to Sannazaro's 98. His next start was for the Youngster Stakes at Harlem June 16. He and Garry Hermann had up 120 pounds each, Mauga, the only other starter, carrying 115. Here he ran one of the best races of his career as a two-year-old and at the end of a long fierce drive through the stretch only succumbed to Garry Hermann by a head. Mauga was beaten off and the time for the five furlongs was 1:01½. June 21 at the same course he won the Junior Stakes over a sticky track, beating Grandon, Princess Tatyana and Sig Levy with great ease, and then went over to Washington Park to race against the best of his age in the west.

His success at the crack South Side track was confined to the winning of a purse July 2 and the Edgewater Stakes July 12, the latter on sufferance from his stable companion Alard

race any more in the west. Over the eastern tracks he started thirteen times and won twice. His first success was at Gravesend September 18, where he won a purse over the "about" six furlongs course, defeating Gold Heels three lengths in 1:11½, with Dr. Barlow third and Rolling Boer, Beau Gallant and Beau Ormonde unplaced. He and Gold Heels carried 113 pounds, Dr. Barlow 108 and Beau Gallant 121. It was a good race in good company. His other eastern success was in winning the Rancho del Paso Stakes over the Eclipse Course at Morris Park October 9, and carrying 115 pounds he defeated Telamon, 109; Autolight, 106, and Handwork, 112, in 1:10¾. Of his other races east it can be said that no matter how high class his opposition was, he was nearly always out in the front rank, fighting valiantly for the money, and in his last race he ran a good third to Conroy and Garry Hermann for the White Plains Handicap, finishing in front of Alard Scheck, Water Color and Maximus.

This year he has won a number of races that

Scheck, who was restrained to allow him to win. Both carried 123 pounds, and the other starters were Vitellius, 118; Searcher, 113, and The Brave, 113. It is but justice to him to say that he could have won easily if in by himself alone. He started six times during the progress of the Washington Park meeting, was twice first, twice second and twice unplaced. He ran second to Golden Age June 25 in a half-mile dash and to the same horse at four and one half furlongs June 28, and beat Schoolmaster, Battus, Prince of Delight and Volkman at five furlongs for a purse July 2. Time, 1:01½. He started at Harlem August 6 in a five-furlongs dash for a purse and won in 1:01, defeating Money Muss, Satin Coat and six other ordinary youngsters, and was defeated by Tyr at the same track August 13 at five and one-half furlongs. The track was heavy and he carried 118 pounds to Tyr's 108, and was beaten a head in 1:11½.

Silverdale was now taken east and did not

demonstrated speed of the highest order up to a mile, and by winning the St. Louis Derby yesterday he put to confusion those who have been insisting that he was nothing but a speedy miler. When he starts for the American Derby, coupled with the crack filly, Lady Schorr, he will be sure to have a large following from those who believe in the luck of the strong Schorr stable. His portrait, presented in this issue, was recently taken and presents his outlines faithfully.

## NOTES OF THE TURF.

The promising colt Baronet that has been running so well at Newport was sold to J. W. Hall & Co. for \$2,000 Thursday.

The Swigert filly Dash, worked a half mile over the Newport track Wednesday in 47½ seconds, and after that trial was sold to R. J. Hiner for \$1,200. After she won Hiner was offered \$1,500, but refused the offer.

## THE DERBY FIELD.

The American Derby will be decided next Saturday. So far as present appearances go the following candidates seem almost certain to go to the post:

	Wt.
Frank Farrell's ch. c. Bonhibert	127
C. H. Mackay's b. c. His Eminence	127
W. H. Laudeman's b. c. Hernando	127
J. W. Schorr's ch. c. Silverdale	127
R. T. Wilson, Jr.'s b. c. The Parader	125
C. Fleischmann Sons b. c. Blues	122
W. M. Hayes' br. c. Sannazaro	122
S. C. Hildreth's b. c. Golden Age	122
S. C. Hildreth's b. c. Rolling Boer	122
W. B. Jennings' b. c. Canmore	122
F. J. Kelley's b. c. Jiminez	122
C. Littlefield, Jr.'s blk. c. Water Color	122
H. B. Durham's blk. c. Operator	122
W. T. Schafer's br. c. Terminus	122
J. W. Schorr's b. f. Lady Schorr	120
Prince A. Poniatowski's ch. g. Brutal	119
Mrs. R. Bradley's br. g. Robert Waddell	119
C. Littlefield, Jr.'s b. f. Sweet Lavender	117
P. H. Sullivan's b. f. Sadie S	117
McChesney & Oots' ch. c. Atmore	115

There are other possible starters that may swell the field. Mr. Schorr is credited with saying that Alard Scheck is now doing well and will probably be started. Mr. J. E. Seagram's fine colt Far Rockaway has not been heard from but he may arrive here in time and if he has improved over his two-year-old form, no more formidable candidate will go to the post. Ampere, Dualist, Royal Victor, Driscoll, Belario, Beau Gallant, Dyxona, Lady Strathmore, Maple Sugar, Amur, Gaheris, Six Shooter, Valdez and Henry Burt are eligibles any one of which may be started. It must be kept in mind that aside from the money and glory that goes to the winner the second horse will win \$3,000 and the third horse \$2,000, sums that amount to more than the average western stakes and attractive enough in themselves to strongly tempt owners to send their candidates to the post.

The greatest field numerically that ever started for the American Derby was in 1893, when fifteen went to the post. If at the eleventh hour Commando should be sent out his presence as a starter would, no doubt, frighten out a number that would otherwise go to the post. But his coming now seems improbable and the almost assured outlook is for a field that will probably exceed twenty starters. The situation will develop rapidly and by midweek it is probable that the names of almost every starter will be definitely the property of the public. The condensed history of the great race is as follows:

Yr.	Horse.	Wt.	Start	Val.	Time
1884	Modesty	117	12	\$10,700	2:42½
1885	Volante	123	8	9,570	2:49½
1886	Silver Cloud	121	10	8,160	2:37½

## AMERICAN DERBY BETTING.

The following are the principle wagers made in James O'Leary's future book on the American Derby during the past week. The betting was heavy and general on the horses that have a chance:

Alfonso \$15,000 to \$200, from New York City.  
Alard Scheck \$10,000 to \$500, from St. Louis.  
Beau Gallant \$20,000 to \$4,000, from New York, in three bets.  
Blues \$30,000 to \$1,500, from New York City.  
Bonhibert \$30,000 to \$2,000, from New York City.

Winner—Br. f. by Favor—Charity.

Went to post at 2:30. At post 2 minutes. Start excellent. Won driving, but rather handily.

Emma C. L. came fast in the last eighth toward the inside rail and was going away at the end.

Emma R. was rank of speed, but hung in the last fifty yards. Revanna ran a splendid race, making up a great deal of ground when he got clear sailing at the head of the stretch. He finished strongly. With any kind of racing luck he should have won. Governor Sayres was stopping badly on the end. Pirate's Queen was pocketed on the inside rail in the last fifty yards, but was stopping at that. Himtine, all tangled up at the start, had no chance and was given an easy race.

Winner—B. f. by St. Leonards—Elsie.

Went to post at 3:00. At post 6 minutes. Start fair. Won in a hard drive; second driving hard.

Dominick rode Elsie L. as hard as he could the entire route, and he had to, as Sweet Billie was luxuriant of speed and only hung in the closing strides. The latter hugged the inside rail the entire stretch journey, but could not maintain the terrific pace she had set. Ed Austin was probably the best. He could not get going the first quarter, but closed strikingly in the last sixteenth. Mabel Winn, off well, showed some speed, but died away in the stretch. Eddie Busch was always outrun. Ben Milam showed well to the head of the stretch.

Scratched—(25887) Golden Glitter, 122; (24214) Brunswick, 107; (25854) The Rival, 105; Miss Madison, 102; Moabina, 102.

Winner—Br. c. by Lissak—Caroline Hamilton.

Went to post at 3:25. At post 2 minutes. Start good. Won driving; second easily. Tayon, always within call, moved up fast at the last eighth and caught The Lady in the last twenty-five yards. It looked for a moment as if the latter would rally, but Princess Thyra had carried her too fast the first half and she had nothing left to finish with. George Arnold ran a miserable race, and can do much better. He was always outrun and lurched badly in the last eighth. His race should be cut out. Princess Thyra was full of run for about a half and then went all to pieces. Sevoy had no speed and no notice should be taken of his poor showing.

Scratched—(25363) Fleuron, 103.

Winner—Br. g. by Burlington or Kingston—Forethought.

Went to post at 4:50. At post 5 minutes. Start good. Won handily; second the same.

Federal came away in the last eighth like a good horse and won well in hand. Thurles looked dangerous in the last eighth, but faltered in the closing strides. Ida V. was stopping at the end and Prairie Dog would have nailed her in a few more jumps. The latter made up a great deal of ground and finished strong. Miriam had speed for six furlongs and then stopped all over. Patroon was right there for five furlongs and then went to pieces. Knightbanneret could not get up a good gallop and his race should be thrown out. The winner was run up to \$1,200 and bought in.

Scratched—(22016) Prince Blazes, 109; (25569) Red Apple, 92.

Winner—Br. g. by Preston—pans—Bertie W.

Went to post at 2:30. At post 1 minute. Start good. Wan driving; second easily. Dalion is an improved horse through the field, but won on suzerainty. Bullingdon was eased up at the end to allow his stable companion to win and was best. Both received good handling. Mars Chan ran up to his best form. Sir Hubert will improve. Magic Light performed indifferently, but jumped much worse than in his last previous race. Bermuda Hundred was going well when he fell, and Lady Dainty, directly behind him, also came to grief. The latter seemed likely to be the winner at the time, a half mile from the finish.

Scratched—25924 Perion, 148; (25588) Old Tank, 137.

Hitchcock entry, show, 1 to 2. Mars Chan, show, 8 to 5. Colt entry, show, out.

Went to post at 3:00. At post 3 minutes. Start good. Won in a canter; second easily. Voter appears to be in good form and won with practically no opposition. Vitellus was easily second best and after a short brush with Contend came away readily in the last furlong.

Winner—Ch. c. by Watercress—Margerique.

Went to post at 3:30. At post 5 minutes. Start good. Won in a canter; second driving. Nasturtium could not be pulled back to his field and was far the best. Par Excellence displayed a surprisingly good burst of speed, saved ground on the turn and was lucky to be second. Flywheel was carried wide and bumped on the turn but closed with a rush at the end and ran like a good one. The Goldfinder acts as if weight stops him. Water Power, very highly tried, showed speed and was probably short. Jack Demund must have mud to show at his best. Saturday was carried wide and failed signally at the end and was a beaten horse on the stretch turn.

Scratched—25957 Blue Girl, 126; 25957 Meridian, 122.

Par Excellence, show, 24 to 1. Flywheel, show, 8 to 5.

Winner—B. c. by Esher—Eloquence.

Went to post at 4:10. At post 31 minutes. Start good. Won easily; second driving. Alcedo broke running and set his own pace for the first seven furlongs, where Toddy assumed command, but only on suzerainty. Spencer sent his mount along in the stretch, winning a masterly ridden race on probably the best horse today. Water Cure, carefully saved in the first part, finished with a splendid burst of speed, beating out the poorly handled Toddy in the last fifty yards. Toddy ran surprisingly well and All Gold's effort was noteworthy. Blues was a good horse for a mile. Star Bright was beaten at a mile and was eased up at the end. Kamara was badly interfered with on the first turn and never figured in the race thereafter. ProceSSION is best as a mud horse. Ethelbert was quiet at the post and the long delay did not affect him materially, but the damp going certainly did, adversely. He was apparently going very easily to the half, where he commenced to fall back and was eased up in the last furlong.

Scratched—19794 Prince McClurg, 108; 25920 Kilogram, 103; 25988 Alfonso, 95; 25899 Alsike, 87.

Hatasoo is very fast, was under a big pull in the first part of the race, but was brought to a drive at the end by Chilton's determined bid. The latter is evidently a colt much above the ordinary. De Reszke showed a good burst of speed and hung on well. Highlander and Cameron finished strongly. Concertina was eased right at the end.

Seminole displayed extra good form on the grass and finished resolutely. Barbara Frietchie was a good filly badly mismanaged throughout. The Golden Prince broke slowly and was carried wide on the first turn, then made up some ground but hardly ran his race.

Hi Nocker ran a good race under a weak rider. Vicie Vance finished with plenty of speed, but was pocketed and bumped all over the stretch. Hottentot came with a rattle at the end. Myrtle Van showed good speed. So did Robert Jr. South Breeze was outpaced. Frank Bell had no excuses. He weakened at the end.  
Scratched—25213 Felix Bard, 100; (25868) Jake Weber, 97.

Winner—Ch. c. by Faverdale—Golden Rod II.  
Went to post at 4:20. At post 10 minutes. Start good. Won in a long hard drive; second easily. The race was won by the best horse. Silverdale was bumped on both the turns twice and pocketed in the last six furlongs. He was late to make his run, but came like a lion under the whip and won going away. It was a great race under the conditions. The horse was slightly out down in front. Woods rode a brilliant finish on him, but took poor care of him in the bunch. Sannazaro did his best and had no excuses though Boland might have gone to the whip sooner with effect. Wall ran a good race, was going as if winning when Silverdale came up and nailed him. Scratched—25620 Farmer Bennett, 119; 25719 Kingraire, 107; (25991) The Commander, 104.  
Overweights—Gaheris, 4 pounds.

## HARLEM'S GOOD RACING.

An unusually large crowd was attracted to Harlem yesterday owing to the fine weather and the splendid card of seven races. The track had dried out nicely and was comparatively fast. Betting was brisk and heavy.

Lady Schorr, ably piloted by Jockey Bullman, took the M. Lewis Clark Stakes in an easy gallop. She was luxuriant of speed and ran her field into dizziness before the stretch had been reached. After passing the last sixteenth Bullman eased her up. Operator ran second and showed he was easily the best of the others. Brutal was beaten off for the entire route and is nowhere near a good race. It was the first mount Bullman rode in the west this year.

Hard Knot was thrown into an easy spot in the fifth race and could have won off by himself, but he purposely drew a close finish. Federal proved himself a good horse by continuing his winning streak. He annexed the sixth race easily to his credit. Elsie L. showed herself to be a filly of good class by taking the two-year-old race in a drive after Sweet Billie appeared to have the scramble at his mercy. The latter was many lengths in front of her when turning into the stretch but Dominick rode her for all he was worth and finally got the leader near the wire. Eddie Austin, after a poor beginning, finished impressively and was only beaten a neck on the post. He was probably the best.

Princess Thyra carried the Lady as so merry a clip in the sprint race that the Hildreth filly had nothing left to finish with and Tayen came along with a rush in the last sixteenth and beat her out in a drive. George Arnold's effort was not in line with his record and should not be taken seriously. A better day's sport has not been seen hereabouts in some time.

Knightbannet's running in the sixth race was not satisfactory to the judges and is to be the subject of a rigid investigation.

C. C. McCafferty, ruled off October 28, 1900, has been reinstated.

Young Henry was hustled along from the flag fall and was staggering in the last sixteenth. I Know came again at the end after making a wide turn into the homestretch and would have been second in another stride. Prosit closed a big gap on his own courage. Pryce could not get him to going well in the first part.

Went to post at 3:27. A post 1 minute. Start good. Won cleverly; second driving. Murphy waited with Newton W. until in the final furlong before making a move, then went to the front without much of an effort and had something left at the end. Lynden Tree was messed about, but finished strongly when she got clear of the field. Lemuel did not run his race, and may have been short. He hung all through the last sixteenth. Ganesa showed speed, but was made too much use of and tired. J. Patrick finished strong.

Winner—B. c. by Azra—Starlight.  
Went to post at 3:56. At post 4 minutes. Start good. Won handily; second driving. Orontas was the best ridden horse in the race. Blake nursed him along carefully until in the stretch and put up a vigorous finish. J. H. Sloan ran his race and had no mischances. Pryce allowed Moor to drop out of it early. He went all around his field at the far turn and finished fast and strongly. He would have been second in a few more strides. Cormorant and Imperialist raced each other into exhaustion. They are sprinters and found the route too far.

Orontas, show, out. J. H. Sloan, show, 2 to 1. Moor, show, 2 to 5. Queen Carnival, show, 1 to 2.

## NOTES OF THE TURF.

Attention is called to the sale of the yearlings from the Fairview, Millbrook and Fleetwood studs, which will take place at Dexter Park Horse Exchange the night before the decision of the American Derby. It will be a prime chance to secure highly bred yearlings without the bother and expense of going to New York. The Fasig-Tipton Co. will conduct the sale and about fifty yearlings will be sold.

Standing has been sent to Colonel W. S. Barnes' Melbourne Stud at Lexington, Ky. C. T., Chicago. The bet was off.

Frank, I. E., Chicago. The bet was a draw.

At the Haggin yearling sale Friday P. Dunne got the bay colt by Golden Garter—Cresset for \$1,100.
